SUMMARY

A Project/Product Manager, bringing an entrepreneurial Leader spirit and analytical mindset with skills in Tech, Marketing, Business Development, Data analytics, Oil and Gas and Research.

EDUCATION

Niger Delta University – Yenagoa, Nigeria

November 2019 – May 2024

Bsc, Geography and Environmental Management. CGPA: 4.22/5

WORK EXPERIENCE

Product/Project Manager – Qiit Technologies (Hellosauri & Anli Solutions). Nigeria

July 2024 – Till Date.

- Defined product strategy and roadmap for Hellosauri and Anli Solutions, aligning with company goals, prioritizing features and driving growth.
- Conducted user research and data analysis to enhance user experience, translating insights into impactful product features.
- The skill to effectively communicate and collaborate with various teams, including engineering, design, marketing and sales. Building strong relationships across departments ensures that everyone is aligned and working towards a common goal.
- The ability to analyze data, track key performance indicators (KPIs), and use metrics to inform product decisions.
- I successfully managed Anli Solutions and Hellosauri within an Agile framework.

Health, Safety & Environment (HSE) / Environmental Project Management Intern (SIWES)

Opensea Oil and Gas Limited (OOGL), Yenagoa, Bayelsa State

March 2022 – January 2023

- Participated in the Student Industrial Work Experience Scheme (SIWES) with focus on understanding the general operations of the oil and gas industry, especially support services such as marine logistics, haulage, LPG supply, procurement and offshore services.
- Supported the HSE unit by learning and assisting with Health, Safety and Environment policies, safety procedures, toolbox meetings and basic risk awareness for marine and haulage operations.
- Worked with supervisors and team members to understand environmental protection practices, community relations, Nigerian local content policy and corporate social responsibility activities.
- Assisted in basic environmental and project-related tasks, applying project management skills to track activities, documentation and compliance with safety and environmental guidelines.
- Gained exposure to procurement and offshore completion support services, including awareness of well drilling and completion equipment such as wellheads, tubulars, casings and control valves.

Virtual/Executive Assistant, ALX Africa

July 2022 - Feb 2023

- Developed and implemented project management plans for three projects, ensuring seamless coordination and timely completion
- Conducted thorough market research, delivering insightful reports that guided strategic decision-making
- Managed key administrative tasks vital for project and and CEO level management, including: Organized project documents for easy access and reference, coordinated meetings, ensuring stakeholder preparedness and Monitored project timelines, addressing delays proactively.

Freelance Writer, Remote.

Match 2020 - Till Date.

- Produced high-quality, SEO-optimized content that ranked on Google, driving traffic and engagement for clients across various industries.
- Delivered compelling long-form and short-form copy, including blog posts, website content, thought leadership articles and sales pages that increased conversions.
- Collaborated with businesses and individuals to develop AI-enhanced, research-backed content strategies, improving brand authority and audience reach.

SKILLS AND TOOLS

- Strong analytical and problem-solving abilities.
- Efficient Communication and Cross-Functional Team Collaboration Skills
- Understanding of the product development lifecycle.
- Creative thinking and innovative approach to challenges.
- Skilled in Agile and Waterfall project management methodologies.
- Experienced in using MS Office Suite, Google Suite, Slack, Jira, Notion, Trello, confluence and Teams.

PROJECTS AND AWARDS/ACTIVITIES

Best Graduating Student: Graduated with a CGPA of 4.22, recognized for academic excellence in the department and faculty, with awards received for outstanding performance in all four years of study.

Leadership Experience: Throughout my academic journey, I was appointed as the General Course Representative from 100-level, serving until graduation. Recognizing my academic excellence, the Dean appointed me as the Director of Sport in the Student Management Interface Committee (SMIC). And I was elected as the Secretary General of the Faculty of Social Sciences among other Volunteer Leadership Roles.
